Liturgical Word of the Week

This week we address the fourth of the 12 Fruits of the Holy Spirit: Patience. By treating others with thoughtfulness and tolerance, we are capable of demonstrating our ability to resist temptation, and the need for God's mercy and forgiveness. Patience allows us to have compassion over people in spite of their flaws and weaknesses.

Catholic Parliamentary Office

“Do No Harm” is a short documentary which highlights some of the grave concerns around proposals to legalise assisted dying in the UK and Scottish Parliaments.

It spotlights key concerns around preserving human dignity and protections for vulnerable groups, and challenges the robustness of tabled safeguards in the UK legislation, by citing the experience of other jurisdictions which quickly eased access and expanded eligibility.
